

G4SM-23RGS-HC~TSL01

The world's #1 manufacturer of glass door merchandisers. True's commitment to using the highest quality materials and oversized refrigeration systems provides the user with colder product temperatures, and lower utility costs in a unique merchandiser that creates a dynamic 360° product display. Factory engineered, self-contained, capillary tube system using environmentally friendly R290 hydrocarbon refrigerant that has zero (0) ozone depletion potential (ODP), & three (3) global warming potential (GWP). Exterior – attractive, high luster copper powder coated finish. Energy efficient, factory balanced, refrigeration system holds 33°F to 38°F (.5°C to 3.3°C). Interior – attractive, white aluminum interior liner with stainless steel floor. Door is self closing with a positive seal, torsion type closure system. “Low-E”, double pane thermal glass in door assembly, sides and rear. The latest in energy efficient technology. LED interior lighting provides more even lighting throughout the cabinet. Safety shielded.

Bottom mounted units feature

- “No stoop” lower shelf to maximize product visibility. Storage on top of cabinet. Easily accessible condenser coil for cleaning.
