KITCHENS

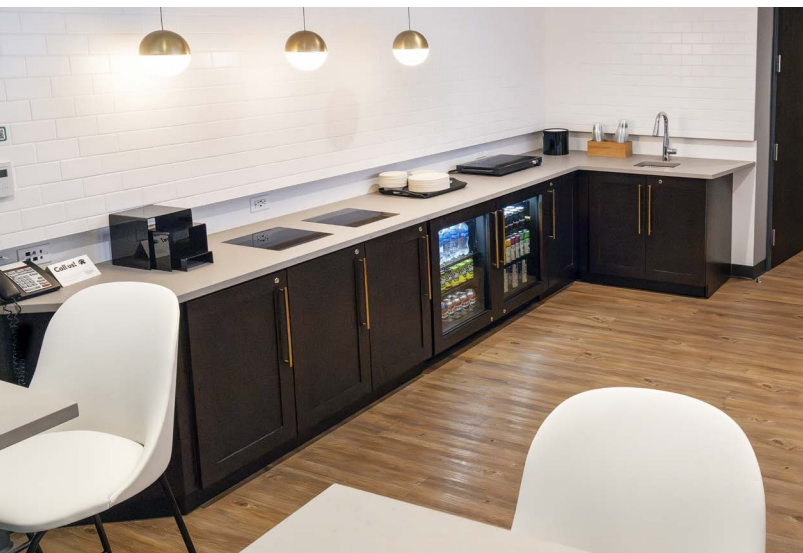

LUXURY SUITES

PREMIUM GUEST EXPERIENCES

When it comes to luxury stadium suites, every detail matters. These exclusive spaces demand refrigeration solutions that match their premium standards.

True rises to the occasion by offering robust, reliable cooling solutions tailored for high-end hospitality environments. Our True Residential® line delivers the same renowned quality and precision, making it the ideal choice where aesthetics and performance are paramount.

From sleek under-counter refrigerators to customizable wine coolers, True's Residential models blend seamlessly into sophisticated suite designs while providing the advanced technology and durability our brand is known for. Whether it's keeping fine wines at the perfect temperature or ensuring appetizers stay fresh until served, True Refrigeration supports an unforgettable guest experience with confidence.

CONCESSIONS

PEAK GAME-TIME DEMAND

Intense traffic calls for fast, reliable access to cold drinks and fresh food. True meets this demand with durable equipment that ensures consistent temps, quick recovery, and quality service when it counts.

BARS

SPEED, STYLE, & ICE COLD DRINKS

Stadium bars thrive on keeping fans refreshed and energized. True Bar series are sleek, high-performance units that chill fast, look great, and keep drinks perfectly cold – game after game.

GRAB-N-GO®

SKIP THE LINES WITH SELF SERVICE

Between quarters or innings, fans move fast. True offers consistent cooling to keep products perfectly chilled in harsh conditions with dependable, energy-efficient refrigeration and easily accessible, hassle-free service.

KITCHENS

HEAVY DUTY PERFORMANCE

Keep ingredients fresh and prep with ease during the busiest events. True's durable, high-performance equipment maintains precise temperatures and offers the capacity and organization to knock it out of the park.

Custom Color & Hardware

Design matters. That's why True gives you the freedom to personalize your refrigeration. With 16 stunning color options—and custom hues available by request—our powder-coated finishes are as tough as they are beautiful, offering long-lasting protection against chips and wear.

Custom Color Swatch Samples

Finish the look with premium hardware selections like brushed brass or chrome, available on handles, hinges, and even the True logo, for a cohesive and stylish statement.

Panel Ready Doors

Panel Ready Doors* allow you to enhance any space with a custom look to match your cabinetry. Your cabinet will come without finished front panels but ready for custom after-market panel installation to further customize the look and style of your equipment. Detailed drawings and measurements are provided in the cabinet installation manuals.

*Custom overlay panels not sold by True.

BEYOND STADIUMS

Large Format Projects

Big venues, big appetites, bigger cooling needs. These high-volume environments count on reliable cooling systems to keep food safe, operations efficient, and guests satisfied—even when the pressure's on.
