TOAM-36-HC

TOAM-48GS-HC

TOAM-60-HC

TOAM-72GS-HC

Solid side and white interior standard.

Options

- Interior: Black or Stainless Steel
- Exterior: White or Stainless Steel
- Backlit Signage/Custom Graphics
- Glass Sides (GS)
- Locking Security Cover

Features

- Built-in night cover helps keep air inside and reduce energy consumption during non service hours.
- Large, open front allows easy access to display levels and places maximum attention on merchandising product.
- LED interior cabinet and undershelf lighting brilliantly illuminates product.
- Uses environmental friendly R290 Hydrocarbon Refrigerant.
- High capacity, factory balanced refrigeration system holds 33°F to 40°F (0.5°C to 4.4°C).
- Self-cleaning Condenser Technology eliminates the need for cleaning of condenser coil, reduces energy consumption and helps maintain the coldest temperature and freshest product.

Refer to the product spec sheets for more options/features.
